What is it about?

"Creative Videos" is an Erasmus+ project aimed at empowering youth workers with contemporary video creation skills to help them reach educational goals and effectively address social issues. The project will teach participants best practices for creating short videos (e.g. Tik-tok, Youtube shorts, Instagram reels) and provide training in the use of modern digital video tools. Additionally, participants will gain knowledge of European Youth Goals and Sustainable Development Goals, allowing them to create videos that address relevant social issues and contribute to solving modern European problems. The expected outcome is a more equipped and skilled group of youth workers who can create impactful, creative videos to support their educational efforts.

The key points

- understand why is it important to create videos;
- include digital tools in everyday working routine;
- understand how to promote your ideas using video;
- which type of video will be usefull for specific aim/target group.

Participants

The training course is open for educators – trainers, teachers, facilitators, youth workers, and youth leaders.

CONDITIONS OF PARTICIPATION

- 18+
- truthful engagement and motivation to study the theme of the project, willingness to share individual and professional knowledge, and to learn in the international group participation in all the stages of the project
- excessive commitment to follow-up activities and networking
